

## Shareholders with package contract

A formal contract issued by ARbAhY LTD

with the shareholder with the investment packages for 365 days

According to the Law on Selling Shares of Companies Affiliated with the House of Companies in the United Kingdom

The company decided to conclude a contract with the company's shareholder, with the advantages of a shareholder

According to what will be decided on by both parties, whether the shareholder or the company's board of directors, abide by all the terms of the contract without violating any of the terms.

- 1- The company is fully committed to pay the specified profits every week to the shareholder account in the value of the dollar according to the period prescribed in the package
- 2- The company is committed to selling investment packages in these shares according to what is specified for each package, and it is not permissible to sell more than that.
- 3- The company shall be committed to not ending the packages for any reason until the specified period ends
- 4- The company is obliged to distribute the shares as specified in the packages
- 5- After the distribution of shares ends, each member who wants to buy the packages will not get any shares, but it will only be a simple package for investment
- 6- The company is not obligated to pay any interest or profits on these shares, because the shareholder in these packages will get a profit already through investment packages.
- 7- The shares that the member will obtain from these packages. The member can easily offer them for sale within our website as soon as they are acquired if he wants
- 8- The member is obligated to make a payment to his account first
- 9- The member shall abide by the price of the specified packages and may not pay less or more than the package price
- 10 - The member shall commit to the duration of the package without requesting a refund of any amount he made a deposit with
- 11- The profit rate is not fixed daily, but the rate is calculated weekly as the average profit that the company has obtained
- 12- A member is not permitted to claim a refund of the package price after the expiry of its period, because the percentage of profits that will be obtained by the end of the packages will be between 109% to 187% other than 100% additional, which is the capital along with 100% a number of the company's shares. This means that the member once bought it For the package, he will get a total profit between 309% to 387%  
The date of this contract begins on the day the member purchases the package.
- 13- Any unlawful act contrary to the laws of the Company that exposes the contributor to a financial breach or temporary or total prohibition as required Any unlawful act contrary to the laws of the Company that exposes the contributor to a financial breach or temporary or total prohibition as required.
